

When Cassie mentioned the duffle bag it reminded me of Oliver's duffle bag--

--the one he uses to haul around his stolen art supplies.

It's so obvious!

Why didn't I think of it before?

Oliver said he

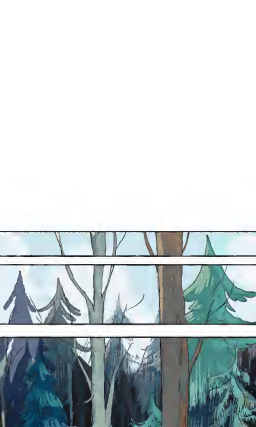

was working on
some sort of art
project out in the
forest behind
the school...

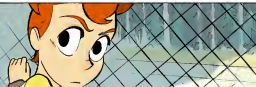

Maybe
that's where
my search
begins!

Maybe I'll
find some clues
about Oliver
out there!

*There's only
one way to
find out.*

*It's
hard to
climb a
fence in
a skirt.*

*Hopefully
nobody's
watching.*

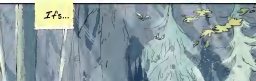

*This
place...*

It's...

...beautiful.

Dry leaves
and frozen
earth crunch
under my

I hear
a rustling
in the
bushes--

Signs
of life are
everywhere.

Burrows
and paw
prints
and...

Poop.

Lots of
animal
poop.

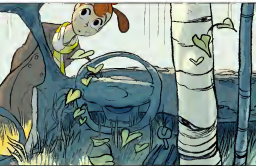

Wow...

How
did this
get here?

Amazing.

*This car's
probably been
here since
before I
was born--*

*--which is
a long time
ago!*

RINNNNG!

Was--

Was
that the
school bell?

What
time is
it?!

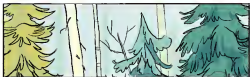

Oh my
gosh!

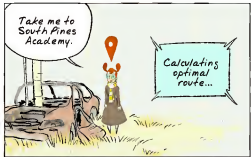

Lunch
is over!

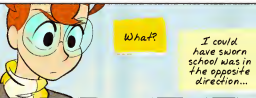

I'm going

Oh,
I see.

It's
trying to take
me around the
fence I hopped
to get here.

I
guess
that
makes
sense.

Ahhh...

I wonder
what those
circular
structures
are...

Show
satellite
imagery.

Oh!

Those
must be the
old buildings
David told
me were out
here.

He said he explored them once on a dare, even though people claimed the place was haunted.

Spooky, abandoned buildings in the middle of a secluded forest...

That sounds like the exact spot Oliver would choose to work on his art!

What should I do?

*I want to
go check it out,
but mom will kill
me if I skip
class...*

*I
suppose I
could just
come back
here after
school...*

Oh,
who am I
kidding?

I
have
to go--

I'm
just too
curious!

"I love the art style and the story of your comic and wish that one day I too can start posting my own webcomic. Your advice from Q & A #2 really helped me, thank you and keep up the good work!"
